WE ARE WiN

General Secretary Key Expected Results

WiN Global's governance framework is driven by a commitment to operational excellence, transparency, and sustainable growth. The General Secretary is responsible for ensuring efficient administration, effective communication, and strategic leadership.

Objectives

1.
Efficient operation of WiN Global in proper compliance with its rules and procedures.

2.
Proper communication and information management including maintaining organizational memory.

3.
Effective support for various officers of WiN Global's operations.

General Secretary Steering Committee

What inspires you to be part of WiN Global?

WiN Global provides exceptional opportunities to contribute at an international level and to learn from, connect, work and network with exceptionally talented women from the diverse backgrounds and culture, career stages, and fields of nuclear thereby expanding my horizon and fostering my growth.

Professional Profile

Expertise area: Environmental Radioactivity, Radiation Protection, Nuclear Security and Safety.

Researcher and Senior Lecturer at MUBAS with interests in the behaviour and speciation of radionuclides (natural and anthropogenic) and their application to nuclear forensics, safety and security. PhD (Environmental Radioactivity) from the University of Tokyo, MSc (Medical Physics) from University of Surrey, and BSc (Environmental Science and Technology, [Physics]) from University of Malawi.
