WE ARE WiN

Treasurer Key Expected Results

Ensure strong financial stewardship, transparency, and compliance; strengthen governance and internal controls; support strategic decision-making; build donor and sponsor confidence; optimize resource use; and drive sustainable growth to advance the NGO's mission and long-term global impact.

Objectives

1.
Strengthen financial governance, transparency, and compliance to ensure accountability and trust across global operations.

2.
Enhance internal controls, reporting, and risk management to support sound decision-making and long-term sustainability.

3.
Build donor and sponsor confidence by optimizing resource use and supporting the NGO's mission and global member impact.

Treasurer Steering Committee

What inspires you to be part of WiN Global?

I am inspired to be part of WiN Global because it advances global networking for women in nuclear sciences, strengthens career opportunities, and promotes balanced awareness of the peaceful uses of nuclear technology while empowering underrepresented women to lead and innovate.

Professional Profile

Expertise area: COMPLETE

Seasoned finance professional with extensive leadership across private, public, government, and nonprofit sectors. Expertise in financial management, governance, risk and compliance, audit, and strategic planning. Chapter
WiN US.
Organization
COMPLETE.
How would you describe yourself in three words
Experienced, strategic, principled.
Favourite food
Mediterranean.
A woman you admire and why
My mother. Because she is insightful, principled, and strategic. Her wisdom, integrity, and thoughtful guidance have shaped my values and inspire how I lead and serve others today.
Favourite song, band or singer
"Adonai" by Nathaniel Bassey.
