

# **SPONSORSHIP** OPPORTUNITIES

# INTRODUCTION

---

I am **Dominique Mouillot**, President of the **Women in Nuclear Global (WiN Global)** and I welcome you to read more about how our organization is supporting growth and beneficial change for our nuclear industries.

My hope is that you will join us on our continued journey by supporting us in becoming a WiN Global sponsor. We have developed a suite of sponsorship packages with the intention they will appeal to your specific needs, industry and budget. Our sponsorship packages are offered on a first come, first served basis, so an early expression of interest is advised.

WiN Global is a global non-profit making organization of women working professionally in various fields of nuclear energy and radiation applications.

WiN currently has around 35,000 members, located in 145 countries, regions and international organizations. Membership includes people of all genders from a wide variety of backgrounds who share a common commitment: to promote and contribute to WiN Global vision, mission and goals.

***I welcome you to join us in supporting the dynamic and impactful work that WiN Global is doing to support the nuclear industry.***

**Dominique Mouillot**, President of WiN Global

# OUR VISION

**WHY WE NEED  
YOUR HELP**

# OUR ORGANIZATION

---

WiN was formally established as an organization in Zurich in November 1992 and Dr. Irene Aegerter (Switzerland) was elected as the founding President of WiN Global. The vision for WiN, described above, has developed for almost 30 years, but at its core has largely remained the same.

WiN is now a registered, not for profit, organization that is run solely by dedicated volunteers. Thousands of hours are given freely by a global team of professional, committed individuals.
