JOIN US IN GYEONGJU FOR THE 33RD WIN GLOBAL ANNUAL CONFERENCE

We are delighted to welcome you to the 33rd WiN Global Annual Conference, set in the historic city of Gyeongju, Korea—a timeless destination where tradition and innovation come together.

Guided by the theme **Nuclear Energy for New Challenges**, this international gathering, hosted by **WiN Korea**, will unite dedicated professionals and advocates from across the globe to explore the vital role of nuclear energy in building a sustainable and forward-looking future. Through engaging sessions, interactive workshops, and invaluable networking opportunities, participants will share knowledge, inspire one another, and collaborate on innovative solutions that address today's energy challenges.

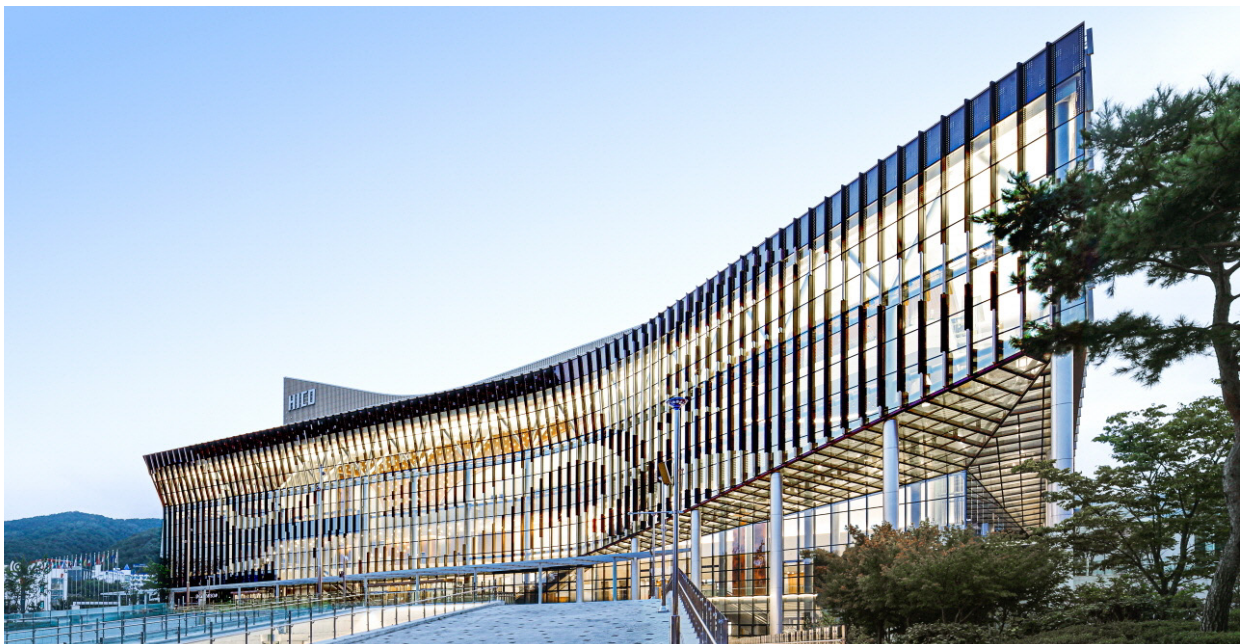

Be part of the change. Be part of the future. **We look forward to seeing you in Gyeongju!**

THE VENUE: HICO (HWABAEEK INTERNATIONAL CONVENTION CENTER)

Nestled in the heart of Gyeongju—the ancient capital of a thousand years—**HICO** stands as an ideal venue for international conferences, exhibitions, and cultural events. Surrounded by the city’s rich heritage and breathtaking landscapes, HICO combines state-of-the-art facilities with a welcoming and comfortable atmosphere.

Seamlessly blending the millennium-old legacy of the Silla Dynasty (BC 57 – AD 935) with modern infrastructure, HICO offers participants from around the world a truly distinctive and memorable experience.

ACCOMMODATION: STAY IN COMFORT, STEPS FROM THE CONFERENCE

The **Hilton Hotel, Gyeongju** will serve as the main conference hotel. Conveniently located just a 2–3 minute walk from the HICO venue, this five-star international hotel provides exceptional service and a relaxing atmosphere for all guests.

Discover Hilton Gyeongju

In addition, a variety of other accommodation options are available nearby, ranging from luxury to budget-friendly hotels. For more information and booking details, please visit the official event website **2026winglobal.org**
