## WiN Global – Inspiring Growth & Positive Change in the Nuclear Industry

Join WiN Global in driving positive change and sustainable growth in the nuclear sector. By becoming a sponsor, your organization can actively contribute to our value-added initiatives. We work closely with each of you to create tailored sponsorship packages that align with your goals and interests

### About WiN Global

What began in 1992 in Zurich, under the leadership of Dr. Irene Aegerter, as a visionary initiative has evolved into a global network with more than 60 chapters and a presence in over 145 countries. Today, WiN Global is a legally registered NGO based in Vienna and an observer organization to the UNFCCC, contributing to global discussions on energy, climate, and sustainable development.

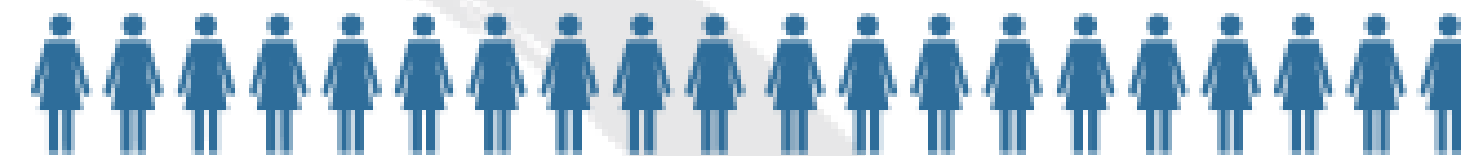

# WOMEN IN NUCLEAR

33 YEARS OF PROMOTING EQUALITY  
AND DIVERSITY IN THE NUCLEAR SECTOR

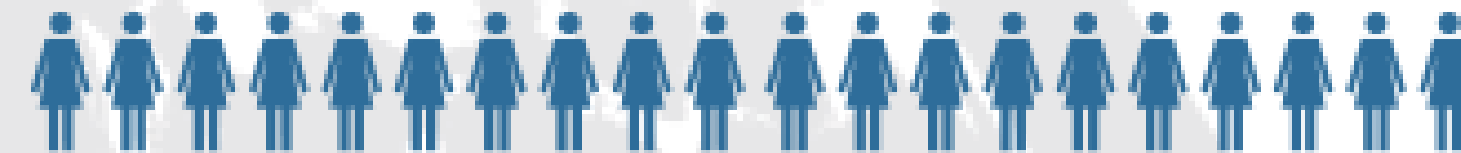

Thousands of volunteer  
hours power our mission  
each year—driving  
high-impact programmes,  
global dialogue, and the role  
of nuclear technologies in a  
sustainable future.
